Christmas Day

Friday 25th December, 10.30am
St Peter's Hextable

Christ Jesus comes to bring comfort and joy...

In the talk of fewer restrictions over the Christmas period in order to 'save Christmas' we are powerfully reminded that none of us can 'save Christmas', but that Christmas 'saves us'! In a year where we have lost much and had to dig deep, the invitation is ever the same...come and see, hear and know Jesus for yourself!

Our services are planned to be both online and in-person at St Paul's Swanley Village, and St Peter's Church, Hextable. Check out more detail on **www.stph.org.uk**. Do plan to join us at any or all of these times where we can gather together or online to celebrate the gift of Jesus - we'd love to have your company, whatever your age, stage or faith journey. All are invited. All are welcome.
