GIVE THANKS TO GOD, HE IS GOOD!

His love lasts forever...

Psalm 107:1

Wondering thoughts and actions

- What do you think makes God so good? What three things come to your mind!
- How do you personally show your gratitude to God? Or how might you begin?
- Can you think of a time today where God has blessed you?

Father God, thank you that you are always good.
No matter if we forget to thank you, or mess up, you always remain good!
We pray that we will become increasingly more aware of all you do for us,
and remember to always be grateful!
Thank you that you love us so much.

In Jesus name,

Amen.
